

How do I use the online resources?

It's so simple! Just go to www.osterhout.info, click on the blue icon that says Online Resources, and then select either Databases or Websites By Subject.

Are they mobile friendly?

Most of the resources are mobile friendly. Some, such as Cloud Library and Creativebug even have mobile apps for some devices!

But I don't have a computer or mobile device!

No worries! The Osterhout Free Library has free-to-use desktop computers. Just stop by with your library card (or come in to apply for one) and we'll get you online.
