

How do I use the online resources?

Just visit www.osterhout.info, click on the blue icon that says Online Resources, and then select either Databases or Websites By Subject.

Are they mobile friendly?

Most online resources are mobile friendly. Many have apps that can be downloaded from your device's app store, including Cloud Library, Newsweek, Kanopy, MyHeritage, and Transparent Language.

But I don't have a computer or mobile device!

No worries! The Osterhout Free Library has free-to-use desktop computers accessible with a library card. We also have Chromebooks for in-house use.
